Ooh, ah  
Ooh, ah  
Ooh, ah  
Ooh, ah

Enter Maurice  
My dearest darling, come closer to Maurice so I can  
whisper  
sweet words of epismetology in your ear and speak to  
you of  
the pompitous of love. Even though our road is rough  
and  
long, for you to leave me at this time darling, must  
surely  
be wrong. So come back and reconsider one more  
thing. Maurice  
is the only one to make your little heart sing.

Ooh mama ooh, ooh mama ooh  
How can you do the things that you do?  
Ooh mama ooh, ooh mama ooh  
I'm gonna buy you some brand new shoes  
I'm gonna buy you some brand new shoes

Enter Maurice  
I don't know why you won't make no more apple pie.  
Since you've

been gone it's been starvation mama, ever since I lost  
my  
probation. Don't you remember the time that you ended  
up in  
jail? That's right darling, it was Maurice who went your  
bail.  
Now, there's just one more thing that I want to say  
before you turn  
and walk away.

Bom Bom Bom Bom do wah da di dit  
Bom Bom Bom Bom do wah da di dit  
Bom Bom Bom Bom do wah da di dit...

Darling please, don't walk out that door, you must  
reconsider  
darling, you've done it so many times before. It's not  
too late,  
It's never too late, precious one, for Maurice to love  
you.  
Just remember sweetheart, I bought myself a gun and I  
will be  
the only one.
