Just a little bit

Babe, I don't want it all
(Just a little)
I just want a little bit

I don't want it all
(Just a little bit)
I just want a little bit

Just a little teeny bit, just an eeny-weeny bit of your love

Turn your lamp down low
(Just a little)
Baby, I love you so

Turn your lamp down low
(Just a little bit)
Baby, I love you so

Just a little teeny bit, just an eeny-weeny bit of your love
(Just a little)

Could be a spoonful of coffee
Could be a spoonful of gold
Just a little spoonful of your precious love satisfies my
soul

I don't want it all
(Just a little, just a little bit)
I just want a little bit

I don't want it all
(Just a little, just a little bit)
I just want a little bit

Just a little teeny bit, just an eeny-weeny bit
Just a little teeny bit, just an eeny-weeny bit
Just a little teeny bit, eeny-weeny bit of your love

Babe, I don't want it all

Just a little teeny bit, just an eeny-weeny bit
Just a little teeny bit, just an eeny-weeny bit
Just a little teeny bit

Just a little bit
Just a little
Just a little bit

You know it could be a spoonful of coffee
Could be a spoonful of gold
Just a little spoonful of your precious love satisfies my
soul

Babe, I don't want it all
(Just a little)
I just want a little bit
(Just a little bit)

I don't want it all
(Just a little bit)
I just want a little bit
(A little bit)

Just a little teeny bit, just an eeny-weeny bit
Just a little teeny bit, just an eeny-weeny bit
Just a little teeny bit, eeny-weeny bit of your love
Yeah, baby

Just a little bit
Just a little bit
Just a little bit
Just a little bit
