Look on yonder wall
Hand me down my walkin' cane
Look on yonder's wall
Hand me down my walkin' cane
I got me another woman
Yonder comes your man

I love you, baby
But you just won't treat me right
You spend all my money
And walk the streets at night

Look on yonder wall
Hand me down my walkin' cane
I got me another woman
Yonder comes your man

Your husband went to the war
And you know it was tough
I don't know how many men he killed
But I know he done killed enough

Look on yonder's wall
Hand me down my walkin' cane
I got me another woman
Yonder comes your man

I love you, baby
But you just won't treat me right
You spend all my money
And walk the streets at night

Look on yonder wall
Hand me down my walkin' cane
I got me another woman
Yonder comes your man

I love you, baby
But you just won't treat me right
You spend all my money
And walk the streets at night

Look on yonder wall
Hand me down my walkin' cane
I got me another woman
Yonder comes your man
