Somebody somewhere told me
You were gonna break my heart
Somebody somewhere told me
You were gonna break me apart

I didn't listen and I didn't care
I didn't think that talk was anywhere
I didn't listen and I didn't care
Nobody told me 'bout your low down friends

Somebody somewhere help me
I got to find a brand new way
Somebody somewhere help me
I got to make a brand new way

I didn't listen and I didn't know
I didn't think it would hurt me so

I didn't listen and I didn't know
Nobody told me 'bout your low down friends

Somebody somewhere help me
I got to turn it, turn it 'round
Somebody somewhere help me
I got to get my feet on the ground

I didn't listen and I didn't care
I didn't think that talk was anywhere
I didn't listen and I didn't know
I didn't think it would hurt me so
