Well I don't know why I came here tonight,
I got the feelin' that somethin' ain't right,
I'm so scared in case I fall off my chair,
And I'm wonderin' how I'll get down the stairs

Clowns to the left of me,
Joker's to the right,
Here I am Stuck in the middle with you
Yes I'm, Stuck in the middle with you

And I'm wonderin' what it is I should do,
It's so hard to keep this smile from my face,
Losin' control, yeah I'm all over the place.

Clowns to the left of me,
Joker's to the right,
Here I am Stuck in the middle with you

Well You started off with nothin'
And your proud that you're a self-made man
And your family all come callin'
Slap you on the back and say
keee.ee.ee.eys, plea.ea.ea.ease,

Tryin' to make some sense of it all,
But I can see it makes no sense at all,
Is it cool to go to sleep on the floor,
You don't think that I can take anymore.

Clowns to the left of me,
Joker's to the right,
Here I am Stuck in the middle with you

Well You started off with nothin'
And your proud that you're a self-made man
And your family all come callin'
Slap you on the back and say
Plea.ea.ea.ease, plea.ea.ea.ease

Well I don't know why I came here tonight,
I got the feelin' that somethin' ain't right,
I'm so scared in case I fall off my chair,

And I'm wonderin' how I'll get down the stairs

Clowns to the left of me,
Joker's to the right,
Here I am Stuck in the middle with you
Yes I'm, Stuck in the middle with you.

Stuck in the middle with you,
Here I am stuck in the middle with you
