Mhhhmmmhaaahhheehaaahemmmm,
Mhhhmmmhaahehaahehuheyhuum,

Aye, aye, aye,
Aye, aye, aye.

Aye, aye, aye,
Aye, aye, aye.

There's something in the light, there's something in the
dark,
there's something 'neath our fingertips, that we can't
touch.

Anytime you say, we can sail away,
on a steady stream of conciousness.

Did you ever feel the peace, did you ever love the fear
?
Ever in the choose, that we wish to clear ?

There's a place to go, where we all know.
Got a river, I've been on way these falls.

Everybody, everywhere - sweet soul vibes,
there's something special in the air - sweet soul vibes.
Everybody, everywhere - sweet soul vibes,
there's something special in the air - sweet soul vibes.

Don't be left behind, just move straight ahead,
remember be yourself, hear what I say.

It's far in you mind, sweet soul vibes,
Come along, feel good inside.

[guitar solo]

Everybody, everywhere, [guitar fill]
there's something special in the air. [guitar fill]

Sweet soul vibes. [guitar fill]

Sweet soul vibes. [guitar fill]
Sweet soul vibes. [guitar fill]
