See you been hurt
Almost lost your mind
The one you lovin'
Mistreats you all the time

When things go wrong
So wrong with you
It hurts me too

Your man don't love you
He's gonna put you down
Come on, we'll steal it, baby
Let's you and me blow this town

When things go wrong
So wrong with you
It hurts me too

He's got another woman
Baby, I love you
But you lovin' him
And stick to him like glue

When things go wrong
So wrong with you
It hurts me too

He's gonna leave you
Gotta put him down
It breaks my heart
To see you pushed around

When things go wrong
So wrong with you
It hurts me too

He's got another woman
Baby, I love you
But you lovin' him
And stick to him like glue

When things go wrong

So wrong with you
It hurts me too
