Now when you climb into your bed tonight and when  
you lock and bolt the door  
Just think of those out in the cold and dark 'cause  
there's not enough love to go 'round  
And sympathy is what we need my friend and  
sympathy is what we need  
And sympathy is what we need my friend 'cause  
there's not enough love to go 'round  
No, there's not enough love to go 'round  
Now half the world hates the other half and half the  
world has all the food  
And half the world lies down and quietly starves 'cause  
there's not enough love to go 'round  
And sympathy is what we need my friend and  
sympathy is what we need  
And sympathy is what we need my friend 'cause  
there's not enough love to go 'round  
No, there's not enough love to go 'round

And sympathy is what we need my friend and  
sympathy is what we need  
And sympathy is what we need my friend 'cause  
there's not enough love to go 'round  
No, there's not enough love to go 'round
