2x Lord I hope this day is good I feeling empty lord and  
miss understood I should be thankful lord I know I  
should lord I hope this day is good .

Lord have you forgotten me I been praying to faithfully  
I try so hard to do the best I can lord I hope you  
understand I don't need fortune and I don't need fame  
send down the thunder lord send down the rain but  
when you plan just how it will be plan a good place for  
me.

1x Lord I hope this day is good I feeling empty lord and  
miss understood I should be thankful lord I know I  
should lord I hope this day is good.

Now you been the king since dawn of times all 'm  
asking is a little less crying it might be hard for the  
devil to do but wouldn't be hard for you.

Lord I hope this day is good I feeling empty lord and  
miss understood I should be thankful lord I know I  
should lord I hope this day is good.

Lord I hope this day  
Lord I hope this day  
Lord I hope this day  
Is Good
