Take all of your burdens, to the lord
And leave them there
Cause his yoke, sure is easy
And his burdens, are so light
Take all of your burdens, to the Lord
And leave them there

When there's trouble, in your home
Bills are due, and you're over drown
Children want pay, you no mind
You can't find relief
No, no time
You just fall down on your knees
Say, lord will you, help me please
Take all of your burdens, to the lord
And leave them there

Oh oh, now take all of your burdens, to the lord
And leave them there
Oh, take all of your burdens, to the Lord
And leave them there
Cause his, yoke, sure is easy
And, his burdens, are so light
Take all of your burdens, to the Lord
And leave them there
Oh oh now give all your burdens, to the lord
And let him carry in his heart
He'll take all of your troubles, away
He'll give you sunshine, on a cloudy day
Cause his alter is never to busy
He'll be there, you just, wait and see
Take all of your burdens, to the Lord
And leave them there

Oh, now take all of your burdens, to the Lord
And leave them there
Take all of your burdens, to the Lord
And leave them there
Take all of your burden, to the Lord
And leave them there

Cause his yoke sure is easy

And his burdens are so light
Take all of your burdens, to the Lord
And leave them there

Leave them there
Leave them there
Leave them there
Leave them there
Oh, oh, leave them there
