

## Steve Spurgin "San Jacinto Farewell"

Visit "[San Jacinto Farewell](#)" on MotoLyrics.com

Word has come that the mission fell  
What a story the poets tell  
The cannon roared and the bugle blared like doom  
Â'Til the only sound was the rising of the moon.  
Now it's said that I have to go  
Why they need me I do not know  
Maybe I could linger one more day  
Do you think they'd miss me if I stay  
Sweet Maria, te amo  
Kiss me once before I go  
Wish me vaya con dios  
Everyday I'll send you my love  
On the wings of a mourning dove  
So each night he can sing you off to sleep  
And in your dreams please pray your love to me  
Sweet Maria, te amo  
Kiss me once before I go  
Wish me vaya con dios  
Aiee yiee aiee  
I belong by your side  
Who will rock my babies if I fall  
And who will watch them grow up strong and tall  
Let us share one more glass together  
Bring my pistola and spanish leather  
See how my spurs shine in the sun  
I'll be back to your arms when we have the battle won  
Sweet Maria, te amo  
Kiss me once before I go  
Wish me vaya con dios  
Aiee yiee aiee  
Debo de estar a tu lado  
Who will rock my babies if I fall  
And who will watch them grow up strong and tall  
(continued on next page).Let us share uno mas tequila  
Bring my pistola and spanish leather  
See how my spurs shine in the sun  
I'll be back to your arms when we have the battle won  
Sweet Maria, te amo  
Kiss me once before I go  
Dese ame que vaya con dios  
Sweet Maria, te amo  
Kiss me once before I go

Wish me vaya con dios
