(Steve Towson)

I say
15 minutes of your love
is all that I can have today
for the police they are on their way
on behalf of their companies

for the debtors they come and the debtors they take
what the company wants as profit
but 25.7%
is not business
it is piracy on the financial seas
for they saw this vessel stricken
marooned high on the beach
and they came and they plundered it
yes they plundered it for all that I was worth
leaving nothing at all for me

I say
15 minutes of your love
is all that I can have today
for the police they are on their way
on behalf of the company

so wrap me deep inside your love
for soon tomorrow it will come
and I must be somewhere else
to repay their ransom demands

so I say
15 minutes
15 minutes
15 minutes of your love
I say 15 minutes
15 minutes
15 minutes of your love
is all I can have today
for the police they are on their way
on behalf of the companies
as soon as they get out of bed with the companies
