Folks are blessed who make the best of everyday living  
by their own  
Philosophy everyone who needs the sun must find a  
way and I have found the  
Only way for me I don't believe in frettin' and grievin';  
Why mess around  
With strife' I never was cut out to step and strut out.  
Give me the simple  
Life. Some find it pleasant dining on pheasant. Those  
things roll off my  
Knife; Just serve me tomatoes; and mashed potatoes;  
Give me the simple  
Life. A cottage small is all I'm after, Not one that's  
spacious and wide. A  
House that rings with joy and laughter with the ones  
you love inside. Some  
Like the high road, I like the low road, Free from the  
care and strife.  
Sounds corny and seedy, but yes, indeed-y; I like the  
simple life Life  
Could be thrillin' with one whose willin' To be a farmers  
wife it's calling  
Me pappy sure make(s) me happy Give me the simple  
life.
