I didn't mean to stumble and I didn't mean to fall  
But it's hard to keep your balance when your running  
into walls  
But there's an explanation baby for the situation I'm in

Chorus:

I am blinded by the light of your love  
I don't know where I'm going or which way is up  
I've never been lost and liked it so much  
I am blinded by the light of your love

It's hard to see a miracle when standing up too close  
It's difficult to focus when it's right beneath your nose  
Till love makes it's correction and determines the  
direction for me

(I'll be??) chorus:

I didn't mean to stumble and I didn't mean to fall  
But it's hard to keep your balance when your running  
into walls  
But there's an explanation baby for the situation I'm in

Chorus:
