I stand exposed  
In a barren field  
Like a stone  
Bled dry

The day star fades  
The darkness cools  
The fever breaks  
My side is clear

A figure forms  
Of shining gold  
A guiding light  
That leads me

To a tree of reckoning  
Visions bring  
Our name

Lie on  
Lie on hallowed ground

A stonecutter face  
An idol stare  
Calls us to  
The river

Ghost of the past  
Speak of things  
We don't care  
To hear now

The sun bleached planks  
Of this old wall  
Meet the dust  
And cry out

Grandfather's hands  
Blood for us here  
Hallowed ground forever

Bleed on

Bleed on hallowed ground  
Bleed on  
Bleed on hallowed ground
