Lyin' awake at night  
Thinkin' about my life  
Train rumblin' thru our town  
Walls shake like they're coming down

You sleep like nothings wrong  
You don't know tomorrow I'm gone  
You don't hear the whistle's sad cry  
You don't see the tears in my eyes

Chorus:

I wish I were a train rolling on a track  
With three choices  
Stop on a dime move ahead or go back  
But I can't go back and face the pain  
So I lie here and wish I were a train

Baby once we had it all  
This ain't nobody's fault  
Seems like everything changed  
Love just up and moved away

Chorus:

On a train rolling on a track  
With three choices  
Stop on a dime move ahead or go back  
But I can't go back and face the pain  
So I lie here and wish I were a train

Repeat chorus:
