(terry ryan/steve wariner)  
(track 4 - time 3:20)

My little third grade hand wrote I love you  
On a note of yellow paper  
And sent it to the front of the row to a little blonde-  
haired girl  
The blonde-haired girl just opened it and read it to  
herself  
I was so embarrassed when she turned around and  
said

I'm already taken  
You spoke up too late  
I love somebody else  
So you'll just have to wait

The years flew by so quickly  
And there we were in junior high  
I realized that I still loved her so  
So I called her up and told her exactly how I felt  
Then she said there's something that you really ought  
to know

I'm already taken  
You spoke up too late  
I love somebody else  
So you'll just have to wait

So wait I did and never changed my love for that little  
blonde-haired girl  
Whos' now the mother of our little blonde-haired boy  
Who's to our hearts so close  
I hate to think how fast he's growing up  
Last night I overheard them as she tucked him into bed  
He said, mommy will you marry me  
And this is what she said

I'm already taken  
You spoke up too late  
I love your daddy son

So you'll just have to wait

I'm already taken  
You spoke up too late  
I love your daddy son  
So you'll just have to wait
