Cold city like the eyes in the subway station  
It's ten stories to my desk in the smoggy sky  
But after five, I'm headed home to heaven  
To an easy world  
There ain't nothin like the love of a small town girl

Hot coffee and the sound of her sweet voice callin  
Country station on the kitchen radio  
That's how I know  
There's still a little magic  
In this crazy world...  
There ain't nothin like the love of a small town girl

She makes love to me in real close two part harmony  
She makes the city feel like walks in the cool country  
rain

No traffic and the sound of the street is quiet  
Fifth avenue is dressed in a foot of snow  
No where to go but underneath the covers  
Lovers while the snowflakes swirl  
There ain't nothin like the love of a small town girl  
There ain't nothin like the love of a small town girl
