(track 10 - time 3:14)

Well you say you wanna know where I stand  
Before you fall  
You say love's definition is not  
The same for us all  
Well I can understand why you're afraid  
And just so we're both on the same page  
Let me try and make this whole thing clear

I'm talkin' pure devotion  
A won't-be-denied emotion  
Deeper than the ocean  
Well that's love for you  
It's unexplainable uncontainable irreplaceable  
Well you know that it's true  
That's love for you

You'll see my interpretation of love  
Is right on the mark  
If you'll give me half a chance  
And follow your heart  
Forever's what I've got in mind  
So let me say this one more time  
And make it as simple as I can

I'm talkin' pure devotion  
A won't-be-denied emotion  
Deeper than the ocean  
Well that's love for you  
It's unconditional irresistible unpredictable  
Well you know that it's true  
That's love for you

I'm talkin' pure devotion  
A won't-be-denied emotion  
Deeper than the ocean  
Well that's love for you  
It's unbelievable it's invincible indivisible  
Well you know that it's true

That's love for you
