BACK IN THE HIGH LIFE AGAIN

Steve Winwood

(Jackie Edwards/James David Miller)

It used to seem to me that my life ran on too fast
And I had to take it slowly just to make the good parts
last
But when you're born to run it's so hard to just slow
down
So don't be surprised to see me back in that bright part
of town

I'll be back in the high life again
All the doors I closed one time will open up again
I'll be back in the high life again
All the eyes that watched me once will smile and take
me in

And I'll drink and dance with one hand free
Let the world back into me and on I'll be a sight to see
Back in the high life again

You used to be the best to make life be life to me
And I hope that you're still out there and you're like you
used to be
We'll have ourselves a time
And we'll dance till the morning sun
And we'll let the good times come in
And we won't stop till we're done

We'll be back in the high life again
All the doors I closed one time will open up again
We'll be back in the high life again
All the eyes that watched us once will smile and take us
in
And we'll drink and dance with one hand free
And have the world so easily and oh we'll be a sight to
see
Back in the high life again

We'll be back in the high life again

All the doors I closed one time will open up again
We'll be back in the high life again
All the eyes that watched us once will smile and take us
in
And we'll drink and dance with one hand free
And have the world so easily and oh we'll be a sight to
see
Back in the high life again
