I bow before you Lord, face down on the floor
Feeling almost empty
Fill me up again, fill me up again
The victory is won, the glory is your son's
Still the war is raging
Fill me up again, fill me up again

I need you everyday
From the beginning til the end
Give me what it takes
Use me Lord
And fill me up again

The Spirit that you give only comes to live
Inside a soul that's wanting
Fill me up again, fill me up again
A broken vessel, yes, but still I must confess
I am at your service
Fill me up again, fill me up again

All I need to know is that You'll never ever leave
me empty
That is how the world would do me
Over, and over, and over again

Oh Lord, fill me up, fill me up again
Oh Lord, fill me up, fill me up again
Oh Lord, fill me up, fill me up again
Oh Lord, fill me up, fill me up again
