US version:

Well, my temperature's rising and my feet hit the floor  
Twenty people knocking 'cause they're wanting some  
more

Let me in, baby, I don't know what you've got  
But you'd better take it easy, 'cause this place is hot

(Chorus)

So glad we made it, so glad we made it  
You got to gimme some lovin', gimme some lovin'  
Gimme some lovin' every day

Well, I feel so good, everything is sounding hot  
Better take it easy, 'cause the place is on fire  
Been a hard day and I don't know what to do  
Wait a minute, baby, it could happen to you

(Chorus)

Well, I feel so good, everybody's getting higher  
Better take it easy, 'cause the place is on fire  
Been a hard day, nothing went too good  
Now I'm gonna relax, honey, everybody should

(Chorus)

The Eight Gigs a Week (UK) version:

Hey!

Well my temperature's rising and my feet left the floor  
Crazy people knockin' 'cos they're wanting some more  
Let me in baby, I don't know what you've got  
But you'd better take it easy, this place is hot

And I'm so glad we made it, so glad we made it  
I want you gimme some a-lovin', gimme some a-lovin'  
Gimme some a-lovin' every day

Hey!

Well my head's exploding and I'm floating to sound  
Too much is happening 'cos you're around  
It's been a hard day and nothing went too good  
I'm gonna relax like everybody should

And I'm so glad we made it, so glad we made it  
I want you gimme some a-lovin', gimme some a-lovin'  
Gimme some a-lovin' every day

Hey!  
Well I feel so good, everything is getting hot  
You'd better take some time off 'cos the place is on fire  
Better start baby 'cos I have so much to do  
We made it baby and it happened to you

And I'm so glad we made it, so glad we made it  
Right now! (gimme some a-lovin')  
Every day (gimme some a-lovin')  
Every night (gimme some a-lovin')  
Oo oo (gimme some a-lovin')  
Gimme some a-lovin' every day (gimme some a-lovin')  
Hey baby (gimme some a-lovin')  
Oo oo (gimme some a-lovin')  
Every day (gimme some a-lovin')  
Gimme your loving baby (gimme some a-lovin')
