If I didn't love you then I wouldn't
speak the truth
Jesus Christ is real and Lord, I stand as living proof

As you see I'm not the man I
Used to be, that's strange
But life is better since the change
And better, still!
Now that Jesus is real

Flower, could you look upon your prejudice awhile?
If you smelled the roses, would it break your face to
smile?

The highway to the fiery grave can be so icy cold
Don't deny the spirit, no you couldn't
be that bold!
Can't you hear it calling you?
Can't you hear it calling you back home?

You remember dancing when there was no music there
Now you see that melody has called you unaware
