Spoken:

"Stevie, do an up-tempo one for me."

SW: "Yeah, do what?"

"An up-tempo one."

SW: "Up tempo?"

"Yep!"

SW: "Could we do 'Every little bit hurts'?"

"Hold it one sec."

I'm going to Kansas City
Kansas City, here I come
Going to Kansas City, baby
Kansas City, here I come
They got some crazy little women, baby
And I'm gonna get me some

Well, I might take a boat
I might take a plane
If I have to walk, I'm gonna get there just the same

I'm going to Kansas City
Kansas City, here I come
Got some crazy little women
I'm going to get me some

Oh easy now
Kansas City baby, Kansas City here I come
Goin' to Kansas City baby, Kansas City here I come
They got some crazy little women, I'm gonna get me
some

Yeah, well I might take a boat, I said I might take a
plane
But if I have to walk, I'm gonna get there just the same
I'm goin' to Kansas City baby, Kansas City here I come
They got some crazy little women, I'm gonna get me
some

Oh I'm goin' to Kansas City baby, Kansas City here I
come
Goin' to Kansas, Kansas City baby, Kansas City here I

come
They got some crazy little women, I'm gonna get me
some

Spoken:

SW: "Another one? Hello, another one? A slower? Is
there any chance of this mike going over the P.A.?"

"If you leave it, where it is?"

SW: "Pardon?"

"If you leave it, where it is?"

SW: "No, I meant, uh, I meant the microphone over the
P.A. system."

"Oh no, sorry."

SW: "Okay, doesn't matter, doesn't matter. O.K. here
we go, ready?"
