Many a mile to freedom, many a smile to tell
Ask my bluebird to sing you, from the heart of a
wishing well
Call all my reindeer to graze here, call all my grain to
grow
Then together we flow like the river
Then together we melt like the snow

Many a thought unanswered, many a tale to tell
Ask my bluebird to sing you, from the heart of a
wishing well
If you should ask me to give you the reason for life that
we know
Then together we flow like the river
And together we melt like the snow

Many a mile to freedom, many a smile to tell
Ask my bluebird to sing you, from the heart of a
wishing well
If you should ask me to give you the reason for life that
we know
Then together we flow like the river
Then together we melt like the snow

A few more miles to go
