Got my Mo-Jo working but it just won't work on you.
Got my Mo-Jo working but it just won't work on you.
I want to love you so till I don't know what to do.
I got my black cat bones all pure and dry.
I got a four leaf clover all hanging high.
Got my Mo-Jo working but it just won't work on you.
Got my Mo-Jo working but it just won't work on you.
Oh, I want to love you so till I don't know what to do.
Got my voodoo ashes all around your bed.
Got my black snake boots underneath your head.
Got my Mo-Jo working but it just won't work on you.
I got a gypsy woman giving me advice.
I got some red hot tips I have to keep on ice.
Got my Mo-Jo working but it just won't work on you.
I got my rabbit's foot. I know it's working right.
I got your strand of hair, I kiss it day and night.
