I can't believe, she's goin'
I said please, show me
What selfish seeds I plant, along the way
Black harvest today

The empty bed she left me...cold on one side
Can't believe...only me
Shadows in purple...thrill me
I cry myself awake each night
I can't believe that it's true
Here am I, where are you

Can I cope with today
My love is leavin' me
Still I'm hoping she'll stay
My love is leavin' me

But I'll control...my feelin's
I'll find faith, healing
And I'll find hope singing
The way is so long
But I'm gonna be strong
Oh, what a turn around
Soon, someday I'll be found

And I'll cope with today
My love is leavin'
Still I'm hoping she'll stay
Oh...my love is leavin' me (BREAK)

Can't believe...only me
Shadows in purple...thrill me
I cry myself awake each night
I can't believe that it's true
Here am I...where are you...my love

Breathing your perfume, chills me
Dreams never lie
Is it true...asking you

My love is leavin' me

Still I'm hoping she'll stay
Yeah...My love is leavin' me
Yes...that's what you heard
Oh, I'm free as a bird
Leavin'...Leavin'
Oh, my love is leavin' me...leavin'
My love is leavin'
Oh, cause my love is leavin' me
Yes, that's what you heard
Ooh-oh, I guess I'm free as a bird
Leavin'
My love is leavin', leavin', leavin', leavin', leavin',
leavin',
My love is leavin'
