Once I lived the life of a millionaire  
Spent all my money, didn't have a care  
Taking all my friends out for a mighty good ride  
Bootleg liquors, champagne and wine  
Then I began to fall so low  
Didn't have a penny and no place to go  
If i ever lay my hand on a dollar again  
I'm gonna hold on to it till the eagle grins  
Nobody loves you when you are down and out  
In your pocket you ain't got one penny  
And your friends, you don't have any  
Well just as soon as you've get back on your feet again  
Here they all come the same old year long lost friends  
I thought that it's mighty strange but without a doubt  
For nobody wants you, I got to tell ya  
Nobody needs you  
Nobody loves you when you're down and out.  
(I got to tell you one more time)
