I have finally found a way to live just like I never could
before
I know that I don't have much to give, but I can open
any door
Everybody knows the secret, everybody knows the
score, yeah
I have finally found a way to live in the colour of the
Lord

I have finally found a place to live just like I never could
before
And I know I don't have much to give, but soon I'll open
any door
Everybody knows the secret, everybody knows the
score
I have finally found a place to live, oh, in the presence
of the Lord
In the presence of the Lord

I have finally found a way to live, just like I never could
before
And I know I don't have much to give, but I can open
any door
Everybody knows the secret, I said everybody knows
the score
I have finally found a way to live in the colour of the
Lord
In the colour of the Lord
