I'm lying here tonight, thinking of the days we've had.
Wondering if the world would be So Beautiful,
If I had not looked into your eyes.
How did you know that I've been waiting?
Never knew the world would be So Beautiful at all..

I'm spending all the days,
dreaming of the nights we've had,
I never knew that love would be a miracle, when I think
of
all the ones before,
But now that I've found you I am flying,
I never knew that love would be so beautiful to me I
never
knew that love would be so beautiful to me

And then we danced to the rhythm,
that is burning like a flame,
and when you touch me I can hardly move, you take my
breath
away

You give me all that I want to feel
when we become as one
and then you take me to the heaven of your heart Did
nobody
ever tell you,
you're the best thing that has ever been?

Ahh ahhh aahhh - you are ...So Beautiful Ahh Ahhh
Ahhhh - so
beautiful,

I'm standing here tonight, thinking of the times we'll
have,
I never knew that you would be so beautiful,
from the day you came into my life.
I just want to say, you make me happy,
never knew that you would be so beautiful to me,

I never knew that you would be so beautiful to me.

So ...beautiful to me
So ...beautiful to me
So ...beautiful to me
to me.....

I'm lying here tonight.....

I'm dreaming here tonight
I Dance with you tonight...
