THIS WAITING HEART

=====

O Lean, O Lean, O Leon, Wellahiya.  
O Lean, O Lean, O Lean, Wellahiya.

Out on the water I can hear them call  
I feel the rythm inside of me  
This is the moment I've been waiting for  
When I'm hearing the drums in the night  
When I'm seeing the river of light, hey, hey

Out on the water it's another world  
I feel the power inside of me  
The flame is here and now it has to burn  
You can live but you cannot survive  
And it's something you cannot deny  
To the waiting heart - this waiting heart  
To the waiting heart - this waiting heart

Oh I'm holding on, I'm just holding on  
Holding on, Wellahiya  
Holding on, I'm just holding on  
Holding on, Wellahiya

And maybe tonight - tonight I'll go -  
I'll go down to the river where my love will be  
This time - this time I know -  
She will lay down beside me, 'cos everything comes  
To the waiting heart - this waiting heart  
To the waiting heart - this waiting heart

Out on the water I can hear them call  
I feel the rythm inside of me  
This is the moment I've been waiting for  
It is here, now I'm breaking away  
And it's fortune that favours the brave  
And the waiting heart, oh the waiting heart  
This waiting heart - oh the waiting heart  
This waiting heart - oh yeah the waiting heart  
This waiting heart -oh this waiting heart

This waiting heart

Mamana Mamana Mamana Mamana Mamana Mamana

This waiting heart ...

Holding on Im just holding on ...

Out on the water I can hear them calling ...

This waiting heart
