Who are the treasured and the prized?
Who is the apple of God's eyes
Who is?
We are, we are, we are

Who are the ones who bear His name
Who are the children He has claimed
As His?
We are, we are, we are

We are the ones
God has sent His son to rescue
And now He calls us His own

We are the children of God
We are the children of God
We are the sons and the daughters
Almighty God is our father

We are the children of God
We are the children of God
How can we can keep from singing?
We are the children of God

La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la

Who'll keep the rocks from crying out?
Who are the voices that will shout
His praise?
We are, we are, we are

Who are the ones who bear His name?
Who are the children He has claimed
As His?
We are, we are, we are

How great the love the Father has shown us
That He would call us His own

We are the children of God
We are the children of God

We are the sons and the daughters
Almighty God is our father

We are the children of God
We are the children of God
How can we can keep from singing?
We are the children

And we will sing for joy
For the God on His throne
He has come for us
And called us His own

And we will sing for joy
As the dearly loved children of God
Come on, let's sing

La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la

We are the children of God
We are the children of God
We are the sons and the daughters
Almighty God is our father

We are the children of God
We are the children of God
How can we can keep from singing?
We are the children of God

La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la
