Now just the other day I overheard a flower talking to  
the sky  
He said, "You know that I would be nothing without you"  
He said, "You give me rain you give the sun a place to  
shine  
You're everything that my whole existence comes down  
to"

And then the flower started singing a song  
Before I knew it I was singing along and we sang

"This is my declaration of dependence  
This is my declaration of my need  
This is my declaration of dependence  
On the one who gave His life to me"

Now, let me say that I'm the kind of guy who wants to  
do it all myself  
Don't want to ask for help, don't like to stop for  
directions  
But in reality I'm nothing on my own  
It's by Gods grace alone that I can make this  
confession

All that I am and all I'm hoping to be  
Is all and only what He's given to me so I say

"This is my declaration of dependence  
This is my declaration of my need  
This is my declaration of dependence  
On the one who gave His life to me, yeah, yeah, yeah"

And I know this is how my life was meant to be  
I was made for this dependency on the one who has  
created me  
So I'll sing my declaration song for the one I am  
depending on  
And I hope you'll sing along

This is my declaration of dependence  
This is my declaration of my need  
This is my declaration of dependence

On the one who gave His life to me, yeah, yeah, yeah  
This is my declaration

This is my declaration of dependence  
This is my declaration of my need  
This is my declaration of dependence  
On the one who gave His life to me

This is my declaration of dependence  
This is my declaration  
This is my declaration of dependence  
This is my declaration

This is my declaration of dependence  
This is my declaration  
This is my declaration of dependence

My declaration of my name
