Here comes those words again  
I run for cover I'm dodging them  
And still they seem to find  
The way around my best defense

Here come those little thoughts  
Of all I ought to be but I'm not  
I try talking to myself  
And still I'm not convinced

I'm good, I'm bad, I'm everything in between  
(Oh, oh)  
I'm this, I'm that, but when it

It is Your love that defines me  
And Your love that reminds me  
It's not what I do

This life I live, You have given  
And in You I am hidden  
This is what I know is true  
That the definition of me is You, yeah

This ladder never ends  
I climb up and I slide down again  
Still they say you've not arrived  
Until you reach the top

Your kingdom's upside down  
It is the servant who wears the crown  
First is last and last is first  
And You're all that I'm not

'Cause I'm weak, You're strong  
I'm empty 'til You fill me  
(Oh, oh)  
I sing this song to keep my self remembering

It is Your love that defines me  
And Your love that reminds me  
It's not what I do

This life I live, You have given  
And in You I am hidden  
This is what I know is true  
That the definition of me is You

I have been made by You  
I have been saved by You  
All that I am is all because of You

I'm weak, You're strong  
I'm empty but You fill me  
(Oh, oh)  
I'm singing this song to keep my self remembering

It is Your love that defines me  
And Your love that reminds me  
It's not what I do

This life I live, You have given  
And in You I am hidden  
This is what I know is true  
That the definition of me is You, yeah

The definition of me  
The definition of me is You  
The definition of me  
The definition of me is You  
The definition of me
