Oh what I would do to have the kind of faith it takes to  
step out of this boat and then onto the crashing waves.

Step out of my comfort zone into the realm of the  
unknown where Jesus is, and He's holding out his arms.

But the waves are calling out my name and they laugh  
at me.  
Reminding me of all the times I tried before and failed.

The waves they keep on telling me time and time  
again, you'll never win.

But the voice of truth tells me a different story, the  
voice of truth says do not be afraid.

The voice of truth says this is for my glory.  
Out of all the voices calling out to me I will choose to  
listen and believe the voice of truth!
