I'm one of the chosen few
God chose to carry to
A hopeless and dying world
Good news

I'm a disciple of
A caring Father's love
A light to the world
To show them the way

But do they know, can they see
Jesus lives in me?
Do they know, can they see
Jesus lives in me?

A vacant house comes alive
When somebody moves inside
A light in the window
Means someone's home

I say Jesus lives in me
But can everybody see
The light of His love
That shines in my heart?

Do they know, can they see
Jesus lives in you and me?
Do they know, can they see
He is all they need?

A cloud of witnesses surrounds us
Who long to share what we've received
Tell me where will they see Jesus
If not in you and me?

So we must let them know
Let them see
Jesus lives in you and me

Let them know, let them see
He is all they need
Jesus is all they need
