And the pain falls like a curtain  
On the things I once called certain  
And I have to say the words I fear the most  
I just don't know

And the questions without answers  
Come and paralyze the dancer  
So I stand here on the stage afraid to move  
Afraid to fall, oh, but fall I must  
On this truth that my life has been formed from the  
dust

God is God and I am not  
I can only see a part  
Of the picture He's painting  
God is God and I am man  
So, I'll never understand it all  
For only God is God

And the sky begins to thunder  
And I'm filled with awe and wonder  
'Til the only burning question that remains  
Is who am I?

Can I form a single mountain  
Take the stars in hand and count them  
Can I even take a breath without God giving it to me  
He is first and last before all that has been  
Beyond all that will pass

God is God and I am not  
I can only see a part  
Of the picture He's painting  
God is God and I am man  
So, I'll never understand it all  
For only God is God

Oh, how great are the riches of His wisdom and  
knowledge  
How unsearchable for to Him and through Him  
And from Him are all things  
So let us worship before the throne

Of the one who is worthy of worship alone

Oh God, God is God and I am not  
I can only see a part  
Of the picture He's painting  
God, God is God and I am man  
So, I'll never understand it all  
For only God is God  
Only God is God
