I saw it again today in the face of a little child  
Looking through the eyes of fear and uncertainty  
It echoed in a cry for freedom across the street and  
across the miles  
Cries from the heart to find the missing part

Where is the hope, where is the peace?  
That will make this life complete  
For every man, woman, boy, and girl  
Looking for Heaven in the real world

To stand in the pouring rain and believe the sun will  
shine again  
To know that the grave is not the end  
To feel the embrace of grace and cross the line where  
real life begins  
And know in your heart you've found the missing part

There is a hope, there is a peace  
That will make this life complete  
For every man, woman, boy, and girl  
Looking for Heaven in the real world, Heaven in the  
real world

It happened one night with a tiny Baby's birth  
God heard creation crying and He sent Heaven to Earth

He is the hope, He is the peace  
That will make this life complete  
For every man, woman, boy and girl  
Looking for Heaven in the real world

He is the hope, He is the peace  
That will make this life complete  
For every man, woman, boy and girl  
Looking for Heaven in the real world

Heaven has come to the real world  
Heaven has come, come to the real world  
He is the hope, He is the peace  
He's heaven, He's heaven, heaven in the real world

Heaven, Heaven in the real world  
Heaven, Heaven in the real world  
Heaven, Heaven in the real world
