Well You know it's not the first time  
And it will not be the last  
When You find me here on my knees  
Praying for the storm to pass

But what I am really needing  
Is much more than just relief  
I am crying out for wisdom  
Only You can give to me

'Cause it's such a mystery  
I'm a clueless man when it comes  
To knowing how to love a woman

How do I, I love her?  
How do I, I let her know she means  
More than anything to me?  
How do I love her?  
How do I love her, love her?

Out of all the gifts You've given  
Besides the very gift of life  
There is none as precious to me  
As the treasure of my wife

And still all the love in my heart  
Is like a raindrop to the sea  
When compared to Your love for her  
And that's why I'm asking please

Will You teach me what she needs?  
I'm an earnest man when it comes  
To learning how to love this woman

How do I, I love her?  
How do I, I let her know she means  
More than anything to me?  
How do I love her?

Well I know it's gonna take a lifetime  
To answer this prayer I pray but that's okay  
'Cause I've given You and her my lifetime anyway

How do I, I love her?  
How do I, I let her know she means  
More than anything to me?  
How do I love her?

How do I love her, love her?  
Tell me please, how do I love her?  
How do I love her?  
Won't you tell me? Tell me please  
How do I love her? Tell me please  
Tell me, tell me, tell me  
How do I love her? How do I love her?  
How do I love her, love her, love her, love her?
