We've got CD sets and videos, radio and TV shows  
Conferences, retreats and seminars  
We've got books and magazines to read on everything  
from A to Z  
And a web to surf from anywhere we are  
But I hope with all this information buzzing through our  
brains  
That we will not let our hearts forget the most important  
thing

Is love, love, love, love, love  
It's all about love, love, love, love, love  
Everything else comes down to this  
Nothing any higher on the list than love  
It's all about love

Now they're fighting in the middle east  
And they're fighting down on Seventh Street  
And there are fights in my own house on given days  
It's like something's lurking deep inside  
Can't seem to be satisfied  
But life was not meant to be lived this way  
'Cause it's true for every man and woman  
Every boy and  
That our only hope for living here together in this world  
Is love, love, love, love, love  
It's all about love, love, love, love, love  
Everything else comes down to this  
Nothing any higher on the list than love

This is the reason we were made  
To know the love of our Creator  
And to give the love He's given us away  
Yeah, the Maker, and the Father, and the God of  
everything  
He says to love, love, love  
He says love, love, love  
Love, love, love  
'Cause after all, it's all about love

Gods says love, love, love, love, love

It's all about love, love, love, love, love  
Everything else comes down to this  
Nothing any higher on the list than love  
'Cause after all, it's all about love

That's right, yeah (laugh)  
Woo!  
It's all about, yea yea  
It's all about  
All about love, love, love, love, love-a
