Lord, You know how much  
I want to know so much  
In the way of answers and explanations  
I have cried and prayed  
And still I seem to stay  
In the middle of life's complications  
All this pursuing leaves me feeling like I'm chasing  
down the wind  
But now it's brought me back to You  
And I can see again

This is everything I want  
This is everything I need  
I want this to be my one consuming passion  
Everything my heart desires  
Lord, I want it all to be for You, Jesus  
Be my magnificent obsession

So capture my heart again  
Take me to depths I've never been  
Into the riches of Your grace and Your mercy  
Return me to the cross  
And let me be completely lost  
In the wonder of the love  
That You've shown me  
Cut through these chains that tie me down to so many  
lesser things  
Let all my dreams fall to the ground  
Until this one remains

This is everything I want  
This is everything I need  
I want this to be my one consuming passion  
Everything my heart desires  
Lord, I want it all to be for You, Jesus  
Be my magnificent obsession  
My magnificent obsession

You are everything I want  
And You are everything I need  
Lord, You are all my heart desires  
You are everything to me

You are everything I want  
You are everything I need  
I want You to be my one consuming passion  
Everything my heart desires  
Lord, I want it all to be for You  
I want it all to be for You

You are everything I want  
You are everything I need  
I want You to be my one consuming passion  
Everything my heart desires  
Lord, I want it all to be for You  
I want it all to be for You, Jesus  
Be my magnificent obsession  
Be my magnificent obsession
