Long Before You Drew Your First Breath
A Dream Was Coming True
God Wanted to Give A Gift To The World
So He Wrapped It Up In You
Every Step That You've Taken
Every Move That You Make
Is Part Of His Plan
You Were Meant To Be Touching The Lives That You
Touch And Meant To Be Here
Making This World So Much More
Than It Would Be Without You In It
You Were Meant To Be Bringing
The Gifts That You Bring
And Singing The Songs
You've Been Given To Sing
You Are Perfectly, Wonderfully,
Beautifully Meant To Be
You Were Meant To Be
Long Before You Took Your First Fall You stumbled to
the ground God started telling the story of you to the
angles around
Every failure and victory Everything in between
Its all in his hand
You Were Meant To Be Touching
The Lives That You Touch
And Meant To Be Here
Making This World So Much More
Than It Would Be Without You In It
You Were Meant To Be Bringing
The Gifts That You Bring
And Singing The Songs
You've Been Given To Sing
