I pull over to the side of the road and
I watch the cars pass me bye
The headlights and the black limousine
Tell me someone is saying goodbye
I bow my head and I whisper a prayer
For the comfort the broken hearts
And as I drive away there's a thought that I
I cannot escape, no I cannot escape this thought
I can't get away

Chorus:

Ooooâ€¦ if this should be my last day on this earth
How then shall I live?
Ooooâ€¦ if this should be the last day that I have
Before I breathe the air of heaven
Let me live in with abandoned too
The only thing that remains after my last day
Here on earth
If this should be my last day here on earth
If this should be my last day here on earth
If this should be my last last day here on earth

And if tomorrow comes to find me
Looking in the face of Jesus
Will I hear him say the words "Well Done"

Chorus:

Ooooâ€¦ if this should be my last day on this earth
How then shall I live?
Ooooâ€¦ if this should be the last day that I have
Before I breathe the air of heaven
Let me live in with abandoned too
The only one that remains after my last day
Here on earth
If this should be my last day here on earth
If this should be my last last day here on earth
Cause this could be my last this could be my last
This could be my last day
