I thought a heart of stone  
Would be a safe place  
To hide away the brokenness and pain  
And I was so sure my empty eyes  
Would be the last place  
Where light of love would ever shine again

But then with a miracle  
You found me  
You did what no one else  
Could ever do

Nobody ever loved  
The way that you love me  
Nobody ever saw  
What you brought alive in me  
Nobody ever knew  
How lost I was without you  
(nobody else could ever save me)  
Nobody ever, only you

I've never ever known  
This kind of freedom  
I'm like a child dancing in the rain  
I didn't even know  
That I was locked inside a prison  
And only you  
Could break me from my chains

No one but you  
Knew where to find me  
You gave me life I never had before

chorus

nobody ever loved me like you  
nobody ever loved me like you

chorus

Nobody ever loved me like You  
Nobody ever loved me like You

Nobody ever saw me  
And nobody ever knew me  
And nobody ever loved me like You  
No one else could ever save me  
Nobody ever loved me, only You  
Nobody ever loved me
