A child is born tonight in Bethlehem

His mother holds him close and sings a sweet lullaby

All the world is sleeping unaware that God himself has  
come in the night

The shepherds tremble as the angels sing

And in their song the voice of God speaks peace to the  
world

A miracle has happened, God has come and God has  
spoken

But the miracle has only just begun

And the God who spoke is speaking still

And the God who came still comes

And the miracle that happened still happens in the  
heart that will believe

And we see (receive) the miracle of Christmas

So come to Bethlehem again and see

The One who's come to rescue us, our Saviour and King

Bring your past, the joy, the sorrow, all your hope to  
find tomorrow

And hear the words again, fear not and know that God  
is

near

For the God who spoke is speaking still  
And the God who came still comes  
And the miracle that happened still happens in the  
heart that will believe  
And receive the miracle of Christmas  
Believe the miracle of Christmas  
Will you believe?
