(Oh yeah)  
(My baby baby baby)  
(Yeah yeah yeah yeah)  
(Oh yeah)  
(Oh)  
It's Monday morning  
And I can't get outta bed  
Though I know, that I gotta go  
Rather dream of you instead  
Replay your message  
So I can hear your voice  
Can't wait or hesitate  
You're leavin' me no choice  
Keep it on the down low  
I try to play it cool  
Keeps getting' stronger  
And I know ya feel it too  
Don't you know it baby, I'm crazy for you

Monday, Tuesday, Wednesday, Thursday  
Only thinkin' of you  
Friday, Saturday, Sunday now you're all I wanna do  
Winter, summer, spring or fall  
I feel ya all the year through,  
I'll take a plane, I'll take a car  
I just wanna be, oughta be, gotta be where you are

(Oh yeah)  
(Where you are)

It's Friday evening  
(Yeah yeah yeah yeah)  
And I finally made it through  
Runnin' every red light  
Just to get to you  
We'll take our time, babe  
'Til we see the morning light  
Mad fun in the summer sun  
And we're gonna do it right  
I'm all about you, babe  
And I know you're all about me

Twenty-four seven  
I need you constantly  
Don't you know baby that's the way it should be

CHORUS

(Yeah yeah yeah yeah)  
(Oh yeah)

Ain't no lover like the one I got  
We keep it real, we keep it hot  
This kinda love could never be bought  
Ain't no reason we should ever part  
You got my back, you got my heart  
You're the sun, the moon and the stars

(Oh yeah)  
Hey yeah  
Oh baby (baby baby)

CHORUS

< Ain't no lover like the one I got  
We keep it real, we keep it hot  
Ain't no reason we should ever part  
You got my back, you got my heart  
(You got my heart)

Ain't no lover like the one I got  
We keep it real, we keep it hot  
We keep it real, we keep it hot  
Ain't no reason we should ever part  
You got my back, you got my heart  
(oh no)

Monday, Tuesday, Wednesday, Thursday  
Only thinkin' of you  
Friday, Saturday, Sunday now you're all I wanna do  
You're all I wanna do
