Deep in the jungle, up in a tree  
In Indiana, 1983  
Living on pizza and too little sleep  
Just me and my animal friends

Then in the distance I saw through the leaves  
Creature of beauty like none I had ever seen  
The trouble started when you smiled at me  
And our two worlds came crashing together  
And true love slowly began

I am Tarzan, you are Jane  
I am the night and you are the day  
We're like sunshine and rain  
We're so different from each other

You are a woman, I am a man  
You're the sea, and I am the land  
And I would not be who I am  
If I didn't have you  
If I didn't have you

I know that some days we both wonder how  
We ever got together, we're still so different now  
But I can't imagine my life without you  
'Cause all those things that make us so different  
Are just what make us all that we are

I am Tarzan, you are Jane  
I am the night and you are the day  
We're like sunshine and rain  
We're so different from each other

You are a woman, I am a man  
You're the sea, and I am the land  
And I would not be who I am  
If I didn't have you

I am Tarzan, you are Jane  
I am the night and you are the day  
We're like sunshine and rain  
We're so different from each other

You are a woman, I am a man  
You're the sea, and I am the land  
And I would not be who I am  
If I didn't have you  
If I didn't have you  
If I didn't have you  
We belong together
