I made a list, wrote down from A to Z  
All the ways I thought that You could best use me  
Told all my strengths and my abilities

I formed a plan it seemed to make good sense  
I laid it out for You so sure You'd be convinced  
I made my case, presented my defense  
But then I read the letter that You sent me  
It said that all You really want from me is just

Whatever, whatever You say  
Whatever, I will obey  
Whatever, Lord, have Your way  
'Cause You are my God, whatever

So strike a match, set fire to the list  
Of all my good intentions, all my preconceived ideas  
I want to do Your will no matter what it is  
Give me faith to follow where You lead me  
Oh, Lord, give me the courage and the strength to do

Whatever, whatever You say  
Whatever, I will obey  
Whatever, Lord, have Your way  
'Cause You are my God, whatever

I am not my own  
I am Yours and Yours alone  
You have bought me with Your blood  
Lord, to You and You alone do I belong  
And so whatever

Whatever, whatever, whatever You say  
Whatever, I will obey  
Whatever, Lord, have Your way  
'Cause You are my God so whatever

Whatever You say  
Whatever, I will obey  
Whatever, Lord, have Your way  
'Cause You are my God  
You are my God, You are my God

Whatever
