We come together with a holy purpose
We come together for the highest cause
We speak one language from a heart of worship
Gathered to bring the song to the world for Your glory

With one voice we will sing
Every tribe and every tongue brings a harmony
With one voice we will bring
Heaven's beautiful melody down to this earth
As we sing to our King with one voice

Oceans divide us but we sing together
Now what defines us is our love of You
From every nation and across all borders
Gathered to bring a song to the world for Your glory

With one voice we will sing
Every tribe and every tongue brings a harmony
With one voice we will bring
Heaven's beautiful melody down to this earth
As we sing to our King with one voice

Come on, come on and join the song
Our God, our God is on the throne
Come on, come on and join the song
Hallelujah, hallelujah

Come on, come on and join the song
Our God, our God is on the throne
Come on, come on and join the song
Hallelujah

Hallelujah, our God reigns
Let us all rejoice

With one voice we will bring
Heaven's beautiful melody down to this earth
As we sing, sing to our King with one voice
With one voice

Hallelujah, our God reigns
Let us all rejoice

Sing hallelujah, sing His praise
Let us all rejoice

Sing hallelujah, our God reigns
Let us all rejoice
Sing hallelujah, sing His praise
Let us all rejoice
Sing hallelujah, our God reigns
