I've gotta learn you're not coming back  
From where you are  
It seems too good  
I've gotta learn it's not about me  
It's that you're stronger  
With yourself  
I wanna see you happy,  
And I wanna see you smile,  
Yeah I want things to be alright

It's hard, it's hard  
To see you go(x6)

But I guess I have to,  
Now I get all these pictures you sent,  
From a train in Italy,  
Does it get you off  
That I still wanna make you happy  
And I still wanna make you smile  
Oh god this is not alright

It's hard, It's hard,  
To see you go(x6)

But I guess I have to,  
Life could be different,  
Yes life could be easy,  
But that's not how it is,  
I wanted you to know  
That I get all your hints  
Down to the last detail,  
And I know what this is,  
You know how this is,

It's hard, it's hard  
It's hard, it's hard  
To see you go(x6)  
It's hard to see you go  
To see you go,  
To see you go,  
But I guess I have too(x3)
